TO PHYSICIANS.
NEW YORK, August 16th, 1865.

Allow me to call your attention to my PREPARATION OF COMPOUND EXTRACT BUCHU. The component parts are BUCHU, LONG LEAF, CUBBERS, JUNIPER BERRIES.

MODE OF PREPARATION.—Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubbers extracted by displacement by liquor obtained from Juniper Berries, containing very little sugar, a small proportion of spirit, and more palatable than any now in use. The active properties are by this mode extracted.

Buchu, as prepared by Druggists generally, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopoeia; nor is it a Syrup—and therefore can be used in cases where fever or inflammation exists. In this, you have the knowledge of the ingredients and the mode of preparation.

Hopeing that you will favor it with a trial, and that upon inspection it will meet with approbation.
With a feeling of your confidence,
I am, very respectfully,

H. T. HELMBOLD,
Chemist and Druggist of 16 Years' Experience in Philadelphia, and now located at his Drug and Chemical Warehouse, No. 691 Broadway, New York.

From the largest Manufacturing Chemist in the World. "I am acquainted with Mr. H. T. Helmbold; he occupied the Drug Store opposite to his residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

WILLIAM WRIGHTMAN, Firm of Powers & Wrightman, Manufacturing Chemists, Ninth and Brown-streets, Philadelphia.

HELMBOLD'S FLUID EXTRACT BUCHU.
For Weakness arising from indigestion. The exhausted powers of Nature which are accompanied by so many alarming symptoms, among which will be found, indigestion, Loss of Memory, Wakefulness, Nervousness, Horror of Disease, or Forebodings of Evil; in fact, Universal Lassitude, Prostration and Inability to enter into the enjoyment of society.

The Constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or Insanity ensues.

HELMBOLD'S FLUID EXTRACT BUCHU
AND
IMPROVED ROSE WASH
Will radically exterminate from the system Diseases arising from Indigestion. Little expense, little or no change in diet, no inconvenience or exposure; completely superseding those unpleasant and dangerous remedies, Copava and Mercury, in all these diseases.

USE HELMBOLD'S
FLUID EXTRACT BUCHU.
In all diseases of these organs, whether existing in "Male" or "Female," from whatever cause originating, and no matter of how long standing. It is pleasant to taste the color, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from Broken Down or Delicate Constitutions, procure the remedy at once.
The remedy may be deemed that however slight may be the attack of the above diseases, it is certain to affect his Bodily Health, Mental Powers, and Happiness.

All the above diseases require the aid of a diuretic. HELMBOLD'S EXTRACT BUCHU
IS THE GREAT DIURETIC.
SOLD BY DRUGGISTS EVERYWHERE. 1mo December 16

BURNING OF THE MUSEUM.
LETTER FROM MR. BARNUM.
MESSRS. HERRING & CO.—GENTLEMEN: I have just received from the American Museum of Natural History, a very interesting and valuable collection of the bones of a mammoth, which I am happy to verify the old adage, that "it is an ill wind that blows nobody good," and consequently, congratulate you on the destruction of the mammoth skeleton. Their superior fire-proof qualities in an ordeal of unusual severity.

The safe you made for me some time ago was in the office of the Museum, on the second floor, back part of the building, and in the heart of the fire. After twenty-four hours of trial it was found among the debris, and on opening it this day, has yielded up its contents in very good order—books, papers, portfolios, insurance, bank notes, and all the rest of the contents, and a noble commentary on the trustworthiness of Herring's Fire-Proof Safes.

Truly yours,
New York, July 14, 1865. P. T. BARNUM.

MANHOOD AND THE VIGOR OF YOUTH
restored in four weeks, by Dr. RIGOLD'S ESSENCE OF LIFE. Dr. Rigold (of Paris), after years of earnest solicitation, has at length succeeded to the earnest request of the American public, and appointed an Agent in New York for the sale of his valued and highly-prized Essence of Life. This wonderful agent will restore manhood to the most shattered constitutions, whether arising from excesses, the effects of climate, or natural causes. The time required to cure the most inveterate case is four weeks; and if used according to printed instructions, which are very simple, failure is impossible. This life-restoring remedy should be taken by all about to marry, as its effects are permanent. It is acknowledged by the medical press to be the greatest discovery ever made. Its developing powers are marvellous. Success in every case is as certain as that science overthrows ignorance.
